GRATEFUL GATHERINGS: MAKING A DIFFERENCE TOGETHER

Furnish homes with hope for families in need

About Grateful Gatherings

Grateful Gatherings (www.gratefulgatherings.org) is a 501c3 non-profit dedicated to providing furniture and household items to individuals and families transitioning out of homelessness, poverty, or crisis. Through community-driven donation drives, we aim to create welcoming homes and support positive life changes.

Our Impact:

With 8 chapters throughout the Bay Area, Grateful Gatherings is powered by dedicated Chapter Leaders who work closely with community partners to make a meaningful impact. These leaders, under the guidance of our Director of Programs and Co-Founder, Chris Flitter, play a vital role in our mission.

How You Can Help:

- Recruit volunteers and donors through personal and external networks.
- Manage email lists and oversee chapter budgets.
- Meet with clients and organize site visits before each Gathering.
- Research and recruit partner agencies in your area.
