IMPACT

2025

Every year, we're reminded that a home is more than four walls—it's the foundation for healing, stability, and possibility.

Because of your support in 2025, families, veterans, foster youth, and individuals emerging from homelessness were able to step into real homes, places of safety, dignity, and rest.

The outcomes tell a powerful story. In follow-up surveys with past clients:

- 86% reported improved mental health and self-esteem
- 91% experienced better sleep quality
- 91% noted improved self-esteem, mental health, and stability for their children
- 88% saw better school attendance and reading ability among their children
- 91% reported an improved sense of safety for themselves and for their children

In 2025 alone, Grateful Gatherings served 461 people across 168 households, including 235 children. Over the course of the year, we provided 378 beds, transforming empty apartments into homes families could finally call their own.

With your generosity, our work continued to grow:

- We partnered with 85 agencies across 12 counties
- Mobilized nearly 5,000 volunteers
- Expanded our reach through Full Gatherings, Mini Gatherings, and Adopt-a-Family programs

Every 48 hours, a Bay Area home was restored because people like you chose to show up with time, resources, and belief.

Your generosity prevents homelessness before it takes hold.
Thank you for standing with the families we serve.

With heartfelt gratitude,

Donna and Chris

“

Now my kids can dream big. Instead of dreaming of having a bed someday, they can have real dreams.

- Annalise, mom of 2 children

”

It's a real room. I've never had one before like this. You don't understand, I've never had anything this nice, ever. I've worked so hard my whole life and could never have afforded this for my family. Thank you.

“

We have a family room! This is where we can sit and talk about our day. I never felt I deserved something like this.
